Lions Trounce Kiwanis In Record Ball Game

by Chan Mason

I was most interested to learn last week's edition that the oss man of this paper was going allow me to write this column ith an "Oblique approach and t format." This sounds dely reminiscent of my High hool Geometry days with a bit double talk thrown in. But hatever the angle, oblique, abruse, acute or right, if no one ikes us too seriously and we can ll enjoy ourselves we will have ccomplished our purpose. Anyay, here goes nothin'.

May we suggest that a delegaion composed of Building-inpectors, Bankers and Loan exves take a look at the partemolished building on Imperal, originally an old school uilding built around 1870. In hose days they used 2x3 timber nstead of the now required 2x4. he building has no cement oundation or piers, yet shows no ermite damage. The Redwoods ere made of sterner stuff in hose days, we suppose.

What barrel the Chamber of ommerce is using for the every aturday lemonade give-away, nce held bonded Kentucky whisey. The faint aroma of quality ourbon when the top is open ccounts for some of the old timrs standing wistfully nearby.

Although the aroma wafts out hen the lid is open, none of it ets into the taste of the lemonde, and of course the lemonade strictly non-alcoholic.

ong-Stemmed eauties Attract tatewide Attention

It is an attractive group of California beauty this picture makes.

Long legged model, Rosetta Moore, poses prettily with California's famous long branched tree roses to make this attractive Lemon Grove scene.

The tree roses are part of San Diego County's largest collection and are on display every day in Lemon Grove at the Wayside Nursery on Broadway. Rosetta is a local product but we are not giving her address and phone number. Her attractive sports attire is by courtesy of Evelyn Wigton's.

FOUR RICHMOND, VA., BOYS DIE IN OLD ICE BOX

MISSING TWO DAYS, four Richmond, Va., boys are found dead in old ice box in abandoned building. The lads apparently were playing when door closed, trapping them in box. Victims are twins Woodrow and Wilson Blackstock, 7, their younger brother, George, 5 and Walter Boykin, 7. Photo was made immediately after gruesome discovery was made. *(International Soundphoto)*

Free Orchids For L. G. Ladies Friday and Saturday

Beautiful vanda orchids, a thousand of them each day, will be given to women attending the change-over ceremonies at Lindley's drug store, Broadway and Main Aug. 21 and 22nd. In addition there will be miniature boxes of Whitman's Sampler candy, a box of candy in all respects the same as the full size one, only each piece is miniature and thousands of balloons and suckers will be given to all youngsters.

Reason for the celebration is the acquisition of the Owl drug franchise for the Lemon Grove area by Gayle and Bob Lindley, owners of the drug store.

The event, the couple pointed out, is really a dual celebration in that it marks their seventh anniversary in the community. "When we came here seven years ago there were only the post office, the shopping center, the hardware store and the Avalon Cafe," Mrs. Lindley said.

"There were only 5 or 6 thousand people in the community then," Bob Lindley recalled.

"We have tried to grow with the community," the couple stated. "Acquiring this franchise will give our friends in Lemon Grove a nicer store, larger variety and lower prices."

"We are fortunate in being chosen to be the Owl outlet for this part of the county," Bob said.

The franchise gives the drug store access to the purchasing power of the largest drug buying chain in the United States and this buying power is reflected in every-day drug items, the couple pointed out.

The couple has built up an enviable reputation as a Rexall outlet during the past years and much of their success has been based on the personal service. This personal service will be continued, they said.

All of this adds up to a glorious celebration with banks of beautiful vanda orchids flown in expressly for the event, and with all their friends and patrons invited to participate.

Delphian Society To Meet At Hilltop Chateau

Mrs. Mae Belle Lacher, director for the National Delphian Society, has extended invitations for enrollment to women of this area, who are interested in higher education, self improvement and social progress.

The Delphian Society affords a system for study and group discussion from which members gain personality, maturity, family fidelity and responsible citizenry through a meeting of minds. The factual information supplied each member is compiled by noted authorities on education and science.

Delphian Society was founded in 1910 and has a membership of over 125,000. It is non-sectarian and non-political.

Mrs. Anna Wasserman and Mrs. Myrtle Hoffelder are assisting Mrs. Lacher in organizational activity of the Lemon Grove chapter.

Alpha Beta Chi will be chartered in September and will hold its meetings at beautiful and spacious Hilltop Chateau, 6970 Central, two mornings a month at 10 a. m. during the school year. Mrs. Lacher may be reached at W-1798.

Bill McQueen, Bob Browne and Andy Anderson are among the Yellowtail Derby qualifiers.

RAYMOND MOLEY, editor and author in Calif.—"The hot war in Korea was entered in impulse and ended in impasse."

It was not a complete loss for the Kiwanis as the BWL presented the losers with a huge "8 ball."

Above are Doc Johnson, president of the Lions, and Byron Netzley, president of the Kiwanis, receiving awards from Ginny Von Willer, presidet of the Lionesses, and Dorothy Louer, BWL president, following th game. Lions won 16 to 13.

Hussey Named President Area Bar Association

Luther N. Hussey, local attorney, was named president of the newly organized Foothills Bar Association last week when lawyers of the Foothills area formed the organization at a meeting in the El Cajon Municipal Court room.

Joseph F. Doerr of El Cajon was named secretary and other officers will be selected and committees appointed at a breakfast meeting to be held at Rose Hedge Manor, Thursday, August 27.

Membership in the organization is limited to lawyers maintaining offices in El Cajon, Homeland, Jacumba, Ramona and Borrego Judicial Districts. These districts include Rolando, Kensington, Lemon Grove, La Mesa, Grossmont, El Cajon, Lakeside, Julian, Ramona, Alpine and Jacumba areas.

Objective of the newly formed association is to bring varied facets of the profession's public service to a regional basis to better serve their communities and their profession.

Guest at the initial meeting was Municipal Judge Fenton Garfield.

A charge of "unfair tactics" was made against the Lion's baseball team Sunday, by the Lemon Grove Kiwanis following a circus catch by right fielder Bob Johnson which cut off a Kiwanis rally which would have won the game. The Lions won 16 to 13.

It was the Second Annual Lion Kiwanis Baseball Game, at the Lemon Grove Junior High School play grounds and the catch was made by Johnson which cut off the water on the Kiwanis scoring had the air of "professionalism" some observers said.

With the Kiwanis in a tightly contested duel, in which the Kiwanis were leading at one time 13 to 12, left fielder Tom Warburton hit a resounding blow which was juggled by Johnson who held on to it long enough to rack-up the put out. Charles MacDonald then whiffed to end thegame.

The vaunted Kiwanis infield burst out at the seams occasionally but enough blows were stopped to prevent a run-away score. Another surprise was an all-doctors infield by the Lions, consisting of Doctors Johnson, Nicholl and McKenney, which played sharper than a hypodermic needle and succeeded in holding down the many Kiwanis uprisings. Kiwanis centerfielder Roy Cormody, smacked a homer without a man aboard. Shortstop Neitzley almost caught a grounder.

The Business Women's League had a rousing parade and pom pon display to the background music of "Ima Hurton" and her recording band. Rev. Apra, who sometimes played second base, was rescued by the all girl stretcher-bearers when he went into an almost state of shock after surprisingly catching an underhand toss from first baseman Bob (Willie) Sutton.

As outstanding a game as any was the sparkling fielding and sharp driven hits of right fielder Max Goodwin.

Forrest Baxter did yeoman service as backstop for the Lions while Bob Von Willer served well behind the spaghetti.

Chan Mason, coach, business manager, third baseman and sometimes arbiter, did a workmanship like-job for the Kiwanis.

Tony Sonka did a commendable job of base umpiring except during the fourth inning when he called a Lion player safe at second only to discover it was Tommy Warburton's infant son which was crawling across the infield.

Both teams have challenged the other to another game to be played this fall.

WATER DISTRICT STANDS PAT ON FEES

Directors of the LM-LG & SV Irrigation District this morning stuck to their guns and adopted the "inclusion resolution" under terms of their original proposal which would have landholders pay $454 per acre to join the district. A total of 1739 acres, mostly in the central part of the district signed up, eliminating, for the most part, the "islands".

Ben Maargolis, co-owner of Murray Acres on the hillside overlooking Lemon Grove, said that his property had been included.

Said he, "The cost of inclusion is like a war debt. That means we've got to develop the property fast."

He said that the hilltop would be divided into small estates of ¼ to ½ acres. Restrictions would be for a minimum of 1500 square feet which indicates homes in the $20,000.00 or more class.

MASTER PLANNERS MEET

Twenty-three persons representing 13 local organizations attended the initial meeting of the Homeland Master Planning Committee Wednesday night at the C of C meeting room.

a meeting to be held at 7:30 p.m. Friday, August 28th, in the Lemon Grove Community Center, according to announcement by Roy Neilsen, Chairman of the Lemon Grove proponent group sponsoring the meeting.

Residents of the Mason, Riviera, Lee Manor, American Homes, Spring Valley Highlands, Omarrs and Country Club Tract No. 7 subdivisions, and the area north of Lee Manor to the La Mesa City Limits, are invited to attend.

Sewer Meeting Scheduled For Grove Residents

Facts and figures concerning the proposed Spring Valley Sewerage System will be disclosed at

High 12 Club To Meet At Michael's

The Helix High Twelve Club which has been meeting at the

Comanche Bowl in La Mesa will meet in Lemon Grove beginning next week, it was announced.

The High Twelve is a Masonic Organization and will hold its weekly luncheon meeting at Michael's on Thursday.

President of the High Twelve is John Batchelder, Spring Valley. A Lemon Grove man, Jebb Steward, is secretary.

Area Sanitation "Dynamite" Says Public Health Official

"The sanitation situation in the Spring Valley-Lemon Grove area is loaded with dynamite," is the message brought to the Lemon Grove Kiwanis last week by Dave Segal, District Sanitation of the San Diego County Department of Public Health.

The Kiwanis heard Segal describe the effect of irrigation over poultry droppings and manure fertilizers and other disease producing conditions the water from which finds its way into sewer springs or into water which comes in contact with humans in the community.

"Practically every cesspool pours bacteria into the area when the soil is saturated," Segal said. "And this affluent is the atomic bomb of disease that local residents are sitting on," he said.

Wherever citified density of population exits in a sewer-starved area such as this, deadly danger exists until the residents make sewer available to all of the persons in the community," Segal added.

Roy Nielson, local real estate man, said that he had been working with residents in the community to help get a "yes" vote on sewers when the question comes to vote. Nielson was among the guests at the meeting.

Famed Choir To Take Part In "Serafina"

The famed Eddie Ricca Male Choir, a choral of 18 voices, has been invited to take part in the San Diego story "Serafina," an operetta by Jerome Gerard and Renan Prevost will be presented for the first time, October 5 and 6 in Grossmont Auditorium, under the endorsement of Foothill Kiwanis Clubs. A benefit for cerebral palsied children of San Diego.

The book, by playwright Gerard, reveals in colorful action the every day life of San Diegans under Mexican rule in 1829. A musical score of 26 tuneful melodies by Renan Prevost weaves a spell of enchantment typical of the early days.

A number of singing and acting roles are still open for those interested. Men and women are also needed for the chorus. There are parts for teenage boys and girls, and a part for a girl eight or ten years of age. Rehearsal Friday evening at 8 o'clock in Golden Avenue school, at the business center, Lemon Grove.

SPEED LIMIT 15 MPH

Speed limit of 15 miles per hour is required by motorists driving past schools during recesses or when school is taking up or letting out.

Area Artist Attracts Wide Attention

"Grand Canyon" is the title given to the study in browns and yellows by Lee Gosset, 4691 Daje St., La Mesa Painter and Photographer, whose latest oil is hung in the Blue Palette Club in Oceanside.

Gossett is attracting considerable attention on the west coast for his outdoor scenes and murals. The second largest religious mural in the U. S. was executed by Gossett and is in the Church of the Merciful Savior, an non-denominational church at 70th and Saranac.

He also completed, recently, a series taken from the old masters for the De Angelis Cafe on University Avenue on the outskirts of La Mesa.

Benny Young, operator of the Blue Palette Club, said of "Grand Canyon," "It's the most 3D work I have ever seen and hundreds of people a week remark about its unusual depth."

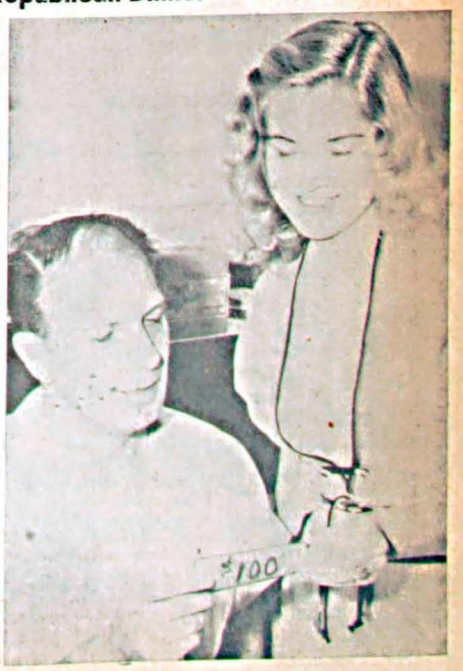
Gossett will start a series of articles in the REVIEW this fall on artists in the Foothill area. Photos of their work will accompany each article.

Your Ticket To The Republican Dinner -- At $100 A Plate

The REVIEW invites its readers to share in the $100 per plate Republican dinner to be held Friday at the Kona Kai Club.

While readers will not actually be able to attend the affair without plunking $100 on the line, we are going to do what we consider the next best thing: publish a complete menu in this paper next week.

Above, Loretta Deeds, staff member of the REVIEW eyes the ticket which will entitle the bearer to dine at the Republican affair.



More Lemonade To Be Given

There will be free lemonade again this Saturday at the plaza.

This week's give-away is being underwritten by electrical contractor Sterling Cato. "This affair is bringing a lot of people to Lemon Grove on Saturday and I'm for seeing it continues," Cato said.

The lemonade stand is in charge of the Lemon Grove Lionesses with Ginny Von Willer as chairman of the group. The spigot will be turned on at 10 a. m. and will be left on until the barrel is dry or until 2 p. m., which ever is first.

Fountain Produce Comes From Davis

Most people in Lemon Grove know Lenora Bodie who lives at 7150 Broadway because she is head waitress and food purchaser for the fountain at one of the town's leading drug stores.

Smart as she is attractive, Lenora chooses Davis Food Center as the one stop to get the drug store's market needs because, she says, "the prices cannot be equalled any where."

"I got to know most of the people from Davis Food Center from coming in the drug store," said said. "They're all seemed so friendly that I just naturally started shopping there. They are always friendly even during rush hours."

"We use a lot of produce at the store and it is awfully easy to pick out the kind of stuff that is wanted and I can get in and out of the store in a hurry too," she said.

Lenora sets a table at home for three. Her husband, Paul, is a driver for Tanner Motors. Her daughter, Beverly, was runner-up in the Fire Queen contest held earlier this year in connection with the Fireman's Benefit Dance.

Davis Food Center is on Broadway at Olive and a recently enlarged parking lot adds to shopper's convenience. The market is open every day including Sun-Day. —Adv.

LETTERS TO THE EDITOR

Editor,

Lemon Grove Review:

Dear Sir,

I would appreciate it very much if you would publish this letter. I want all the people of the Lemon Grove area to know how grateful I am for their cards and letters and the many donations given me to help toward my tremendous expense. Their kindness and generosity is overwhelming. Due to the fact that I am unable to write or even feed myself, I am having a friend write for me. I hope soon to get the cast off my back and be put in a brace. I also have a cast on my left arm and my right foot. My baby girl is fine and is being cared for by her grandparents.

I especially want to thank Rev. John Chandler for his prayers and words of kindness and, Mr. and Mrs. Kenneth Hall for all they did for me. I will never be able to repay everyone. A million thanks to all.

Sincerely,
Don Smith

Knowland Will Speak In San Diego

Several persons from Lemon Grove plan to be present to hear the powerful Republican leader who has selected San Diego as the place where he will address supporters of the Eisenhower Administration before he leaves for the Far East. The Senate leader will speak at a fund-raising dinner at the Kona Kai Club on August 21st. Senator Knowland will be accompanied by Senator Butler of Nebraska and George Allen, Washington's skilled storyteller.

More than fifty people are selling tickets and a crowd of 700 people are expected to attend the dinner. The dinner committee, with C. Arnholt Smith as Chairman, said tables have been reserved for thirty Texas Democrats and twenty other Southern Democrats, stressing the non-party air of the event.

Senator Knowland has attracted ardent political friends and has always been accorded high respect from both parties, and few observers doubt that William Knowland is a potential Republican candidate for President. Knowland has been resting in the Maine Woods since the adjournment of Congress and is expected to return to California this week.

Senator Kuchel said he cannot be present for the event. However, San Diego's own two Congressmen, Wilson and Utt, will be present and also speak.

This popular division featuring the handiwork of women from all parts of the nation will be the largest in the history of the fair with some $10,000 earmarked for cash awards.

Furniture Fashions

Here is a room setting planned for easy upkeep. Called "Ranch House" this type of furniture can take bumps and knocks. They merely add to the "something old" look that lends so much charm to rustic furniture.

Informality and casual living are prominent in many of today's homes, especially the ranch style house. Furniture with the hand-crafted look carries the casual theme to the interior of the home. In addition to the living room, this style is perfect for your den, recreation room or summer cottage.

The pieces shown are part of a complete grouping of 35 items for the living, dining and bedroom. The finish is Desert Sand and will not show dust or finger prints.

For the homemaker with a young family, here is furniture that will stand wear and tear. At the same time it will always appear neat and casual for informal entertaining.

Rivers I've Crossed

Beatrice Morse

I have seen the northern Sacramento
Flowing past its banks of oak and pine,
Where trout and salmon swim thru silver channels,
Wary of the angles hook and line.

Below me rolled the muddy Mississippi,
Sluggish on its way to meet the sea,
Dreaming of the Springtime when her spirit wakens,
And for a little while flows wild and free.

I have passed the deeply rolling Hudson,
Bordered with its fringe of houses white
Where daisies gleam like stars amid the grasses,
Shining silver in the pale moonlight.

But O! the sadness of the Western Rivers-
Knee deep in sand the weary cattle stand-
Waiting hopeless for the rains to fill again

brighten your home with Surfwood

Do you want rooms that are bright, cheerful and stimulating . . . yet, as restful as the out-of-doors? Then SURFWOOD paneled walls are for you, when you build or remodel.

Weldwood SURFWOOD is *real* wood paneling. It has a handsomely textured surface that blends with modern or traditional furnishings. Sound and open knotholes add to its dramatic, rustic appearance. It can be left natural or painted or stained to produce exciting 3-dimensional effects on walls and ceilings. And once you install and finish SURFWOOD panels, you never need to redecorate. All it needs is an occasional waxing.

SURFWOOD is inexpensive, too! The panels are so easy to handle and install, that you can even do the job yourself. So, before you buy any wall paneling for your new home or for remodeling, stop in and see SURFWOOD first.

FUN IS FEATURE IN HISS-BOO PLAY

Bob Turnbull

"Caught in the Villain's Web". That's the name of the Heartland Players of Lemon Grove newest production that will play in a few weeks. The play, "Caught in the Villain's Web" was well written by Herbert E. Swayne with special arrangement by Samuel French. The meller-drayma, in three acts, is arranged and directed by Bud Coffin. Not only does the play feature fine acting and good entertainment for an eve's feature but we have acts in the acts, meaning OLIO'S, featuring specialty numbers, instrument artists, songs, two quartets (male and female), novelty routines, comedians, and community singing. The Master of Ceremonies is genial Jack Calvin, and our virtuoso of the ivories is sweet Connie Meyer. This hilarious farce is to be held in the Lemon Grove Woman's Club Friday and Saturday August 28 and 29, and Friday and Saturday nites, September 4 and 5. Curtain-call will be at 8:00 with the curtain-time at 8:30 p. m. Tickets may be bought at Lane's Men's Wear or at the door. The cast: Regina Larkfield, a rich widow, played by Esther Jessen; Dr. Hugo Belch, her physician, played by Ray Purtee; Brockton, her butler, played by Tom Bracking; Nella Hargrave, the girl next door, played by Mary Jane Steagall; Malvern Larkfield, our manly-bosomed hero, played by Bob Turnbull; Lona Larkfield, his little sister, played by Barbara Bates; Felicity Fair, our heroine, played by Janet Hentigan; Cyril Bothingwell, Boo!, played by Bill Thornton; Denise, the french maid, plaed by Barbara Thornton; and Geraldine Hargrave, Nella's mother, played by Arlene Stammerjohn. Presbyterian Church To Hold "Fall Festival"

The Women's Association of the Trinity Presbyterian Church will sponsor a "Fall Festival," at the church, 3902 Kenwood Dr., on Sept. 11, from 5 until 9:30 p. m.

Last year this event was a huge success, known as the "Hilltop Circus." This fast growing church is located high on the hill where the La Mesa Golf Club formerly had its clubhouse.

A ham dinner will be served at 5 p. m. by the Mariner's Club and there will be booths of bakery goods, needle craft, fun booths, soft drink and hot dog stands and a country store offering homemade preserves and pickles and most anything but a barrel of crackers.

There will be a parcel post booth, with packages from all over the United States, Japan and Honolulu. Mrs. Dwight D. Eisenhower has already sent a package from the White House and has the imaginations of all concerned wondering what it contains.

For the kiddies, there will be real honest to goodness rides. A merry-go-round for those between the ages of one and six, and a whip, for those from six to sixty.

The public is cordially invited to attend this annual get-together in the pleasant setting, high on their hilltop.

Free Food At Brownie's This Week

Free sandwiches will be one of the highlights of a cooking demonstration Friday night at Browne's Refrigeration and Washer Service, 3282 Main Street.

Ham sandwiches cooked in the Maytag Dutch Oven and coffee will be served to all comers.

The Maytag Dutch Oven Gas Range, according to Browne, is one of the amazing new post war appliances on the market. The food requires the least amount of attention prepared in a Maytag. Slogan of a Maytag, he says, is "It cooks on with the gas off."

Ham sandwiches will be given until the 18 pound aged ham is all gone, Browne said.

VI RUSSELL ON VACATION

That lost soul you see wandering about the Lemon Grove streets is Harmon Russell, operator of the local plumbing supply house.

Reason he is lost is that Vi, his wife, is vacationing in Chico. She is expested home this week, however.

Bavarian Cream Glorifies Fruits

Let one of the most beautiful of food creations, a Bavarian cream, give sumptiousness to fruits at dessert time. This classic starts as a custard base into which whipped cream is folded. Then unflavored gelatine captures and molds the light, oh-so-smooth texture.

If you do not wish to use a fancy mold for the Bavarian, chill it in sherbet glasses which can go direct to the table. Or chill the dessert in a bowl, and spoon portions into individual serving dishes. The fruit garnish for this velvety custard can be fresh, canned or frozen. Sliced or crushed strawberries, a compote of fruit heightened with rum flavoring, a medley of citrus fruits . . . all gain glory with this gelatine delight.

Bavarian Fruit Dessert

1 envelope unflavored gelatine
½ cup sugar, divided
¼ teaspoon salt
1¼ cups cold milk
2 eggs, separated
½ teaspoon vanilla
1 cup heavy cream, whipped
Fruits for garnish

Mix gelatine, ¼ cup of the sugar and salt in top of double boiler; gradually stir in cold milk. Place over boiling water and scald, stirring constantly. Beat egg yolks slightly. Slowly pour small amount of the hot mixture over egg yolks. Return to double boiler and cook, stirring constantly until mixture coats the spoon, about 3 minutes. Remove from heat; add vanilla. Chill until mixture is slightly thicker than the consistency of unbeaten egg white. Beat egg whites until stiff; gradually beat in remaining ¼ cup sugar. Fold in gelatine mixture and whipped cream. Turn into a 5-cup mold; chill until firm. Unmold and garnish with fresh, frozen or canned fruits. YIELD: 8 servings.

"Mind" Will Be Christian Science Text

"The Lord is a God of knowledge, and by him actions are weighed," declares the Golden Text from I Samuel (2:3) in the Sunday Lesson - Sermon on "Mind" in all Christian Science churches.

The understanding of God as Mind overcomes human limitations. Jesus demonstrated this overcoming when he healed the nobleman's son without ever seeing the boy. When the nobleman urged Jesus to come "and heal his son: for he was at the point of death . . . Jesus saith unto him, Go thy way; thy son liveth. And the man believed the word that Jesus had spoken unto him, and he went his way." His servants met him, saying, "Thy son liveth . . . Yesterday at the seventh hour the fever left him. So the father knew that it was at the same hour, in the which Jesus said unto him, Thy son liveth: and himself believed, and his whole house" (John 4:47, 50-53).

Lights will be installed on the Jr. High School playgrounds this fall.

Jehovah Witnesses In Record Turnout

Several Lemon Grove residents of the local delegation of 62 Jehovah's Witnesses which attended the World Assembly in New York have now returned to their homes in the La Mesa-Lemon Grove-Spring Valley area, Mr. Edgar A. Flinn, presiding minister here, reported.

"This was the largest religious gathering ever held," he said. "On July 26, 165,829 attended."

"New World Translation of the Hebrew Scriptures which features the name Jehovah was released. 4,640 were baptized."

"Worshippers formed a trailer city at New Market, New Jersey, covering 200 acres and housing 40,000 people in 6,000 tents and 1,500 trailers. The program at Yankee Stadium, forty miles away, was transmitted to the camp by loud speakers."

"Naval officials and civil defense observers studied the mass feeding techniques employed by Jehovah's witnesses as they served 500 meals a minute or 30,000 an hour to this vast assembly."

"Highland Lads And Lassies"

By Robert Turnbull

Last week saw Wednesday nite roll around, as it usually does, and it also saw the La Mesa Youth Center bulge at the seams, as it usually does, when the dance-drunk cats of the valley start jumpin n' jivin, as they usually do.

Enjoying themselves, without a doubt, were Shirley Campbell, Ralph Kenning, Marlene Killman, Janet Sloan, Don Leggitt, Chuck and Jean Ackert, Wimpy Rust, Gail Smith, Sharon Wade, Sandi Hessen, Ron Fix, Patti Culver, Fred Harlow, Nancy Garrier, Jim Suschell, Carol Lewis, Diane Gilmore, Eddie Boyle, Joanne Wilson, Carol Seering, Karl Jordan, Donalda Beebe, Jay Beecroft, Don LeCompe, Bill Carmazin, Carol Covert, Connie Masterakus, Pat Roberts, Butch Fleming, Pete Phillips, Bob Costa, Phyllis Fleming, Bob Ryan, Jody Crane, Lois Desserick, Diane Ely, Pat VanderVoort, Dale Paquin, Merion Moulton, Lorraine Sawyer, Bobbie Sable, Maria Vidal, Diane Curtis, Don Rote, Wayne McDaniels, Jerry Skeie, Dick Tucker, Beverly Berglund, Jim Ethridge, Jim Sinegal, Tom Kelly, Ernie Merk, Margo Wilson, Kay Parrish, Ken Johnson, Buddy Davis, Don Bender, Margie Quicker, Jerry Dawson, Mary Ganger, Ed Tilling, Cecila Lyons, Bob Anaya, Dick Slobig, Don Warfield, Fred Stemen, June Edwards, Ray West, Luralea Hutchings, Dick Conde, Julius Tuite, Ron Williams, Carol Donohue, Glenn Crosbie, and, well, that's about it for this week.

All the new commissioners, and their assistants, held a big busines meeting a while back and they dicussed some important Helix High School business. Seen at the meeting were Donalda Beebe, Jim Welden, Cecelia Iyons, Diane Lairsey, Glenn Crosbie, Bette Hernandez, Carol Covert, Judy Nelson, Linda Beals, Marylyn Sharp, Sandy Whaley, Pat Cheville, Judy Pratt, Mary Sue Kirkland, Carolyn Oliver, Bob Tilling, Sherry Hoss and Buddy Davis.

Grove Man In Pistol Championship

There will be at least one Lemon Grove representative in the 60th renewal of the National Pistol Championships at Camp Perry, Ohio, August 20-25, when Tom Little, 6825 San Miguel, fires with other championship seeking pistol shooters for the National Rifle Association championship.

Little will fire against defending champion, William E. Toney of El Paso, who captured the national crown last year at Jacksonville, Florida.

The 1953 matches will mark the first time since 1940 that all three shooting championships — pistol, small boys rifle and high power rifle — have been fired on the world famous Lake Erie firing site.

Boeses On Vacation-Lecture Tour

Arthur and Mamie Boese, operators of Lemon Grove's only real variety store, have returned from a six week's vacation and lecture tour through the middle west.

Boese is a follower of Spiritual Science.

He reported heavy humidity and high heat throughout the mid west, the kind that makes us appreciate California and that many mid-westerners, because of high taxes, are ready to sell out and come west. He also reported that a new pedestrian cross walk is being tried out in Milwaukee in which all lights go off and pedestrians walk, crawl and run in all directions, adding to the confusion.

His tour took him through Iowa, Nebraska, Illinois, Wisconsin, Kansas, Oklahoma and Texas.

Zinnias And Petunias Star Performers In Lemon Grove

With vacations completed, many of us in Lemon Grove are scanning our gardens with a critical eye. The week or month of neglect can be adjusted shortly by a little hard work. But, in the plant department, there is usually some need for major overhaul. Here is where zinnia and petunia transplants are of invaluable assistance. Quick-blooming, they restore that restful appealing touch that only flowering plants can give. Long blooming, they yield months and months of garden pleasure with little investment in time or care. Hardy and sun loving transplants can be set out on the sunniest day and bouce right back to grow like mad.

PETUNIA

Zinnias are available in Lemon Grove in a multitude of types, from giant dahlia flowered down to miniature ground cover. Bright splashy colors predominate, suggesting mass plantings. A wise idea is to set ome of the giant type in the cut flower bed as they provide masses of strong stemmed flowers.

Zinnias against the house, along the fences or in back of some wide sunny border are a joy to behold. According to the Bedding Plant Advisory Board, they share top billing with petunias as the most popular summer annual.

Petunias grow lower, spread wider and are of more utility where a low spreading plant form is desired. Plants grown in pots can be set into the garden when in bloom to add quick color or brought into the house to brighten a window sill or shelf.

Famed Organist To Be At Michael's

The acquistion of Miss Wallace's contract to play the organ is part of a program planned to give Michael's patrons evening long entertainment every night in the week.

The MASON LINE

by Chan Mason

permit a touch of insomnia to bother him. He listens to a bedside shortwave radio during the wee hours.

A Lemon Grove ham, he reports, was talking to another ham in Oregon the other three ayem.

Apparently Lemon Grove's name has not spread so far north and the Grovan was forced to explain the local situation.

"What do we do? About half the town raises chickens and children. The other half wants to incorporate and run for mayor."

Ed Lewis, operator of that paint and paper store on Broadway shows mixed emotions on a sign in his window which joyfully starts out, 'Closed for two weeks—gone fishing."

But with a touch of pathos the last line reads, "———I hope."
